Seashore Representation.

The Seashore interests have been liligently looked after the present session by Senator Henderson, and

Messrs. McRae, of Jackson, Elmer, of Harrison, and Favre, of Han-cock. We trust the day is not far distant when the capital of the State will be connected by railway with one of the magnificent har-bors of that most delightful of all the regions of our favored state.

Send us your job printing.

## PUBLIC LAWS.

An Act to equalize the assessment of taxable property.

Section 1. Be it enacted by the legislature of the State of Mississors of the several counties in this present at the regular August term of said supervisor's court as berein-

atter provided. Sec. 2. Be it further enacted,

SEC. 3. Be it further enacted, boards of supervisors, the said boards shall sit as boards of equalization for the purpose of equalizing the valuation of the taxable property of the respective counties; and to that end they are empowof the property of any taxpayer, apon satisfactory evidence that the valuation of any taxable property, the valuation thereof agreed upon by a majority of the tax-payers, appointed under the provisions of this act, shall be prima facie proof before the board of the correct valuation of said property.

Sec. 4. Be it further enacted, herein provided, shall take an oath, to be administered by the presito faithfully and impartially dis charge the duties imposed upon them by this act, and they shall receive as compensation for their services, each, two dollars per day and five cents for each nrile neces surily traveled in going to and returning from the place of holding court, payable out of the county

Sec. 5. Be it further enacted, That all laws in conflict with this act, are hereby repealed, and that this act take effect and be in force from and after its passage. Approved, March 9, 1882.

The Practice of Medicine.

The act to regulate the practice of medicine provides that all physicians now practicing in the State, shall receive liceuse from the State board of health without examinetion as to qualification by applying to the secretary of the board and sending a fee of ten cents. Said ap-plication must be made by the 30th applicants in this end of the district, they all had more "influences" than Terral—we mean inside their district. Far be it from us to biame Gov. Lowry for having a will and a way of his own. If we had any influence at court, we would say that Gov. Lowry made a mistake the first that Gov. Lowry made a mistake that Gov. Lowry made a mistake the first that Gov. Lowry first that Gov. Lowry first that the first that Gov. Lowry first that the first studies; fifth, physician or precep-tor under whom studies were pur-sued; sixth, course of medical lec-tures attended; seventh, name of medical schools attended; eighth, medical schools attended; eightly if a graduate, name of college granting diploma; ninth, time spent in hospital; tenth, time of practice, if any; eleventh, school of practice chosen; twelfth, reference as to character. The license, when issued, must be recorded in the office of the gironit clerk within thirty days, or it will be void, for the recording of which the clark shall have a fee of one dollar and a half.

The New Apportionment

Vicksburg Commercial

The recent apportionment of the State does not equalize the districts to any very great extent either as to population, or territory, or the relative votes of the races. The totals of the respective population range all the way from 121,609, in the Seventh district up to 198,653 in the third, and the vote is given
